**ATAL INNOVATIONS @PRO-SOL
MINDS & Government Degree
College, Chodavaram**

**A Three Day
Student
Workshop on**

Drone Technology

3D Printing

Virtual Reality

10-12 April 2023

Day -1

Pro SolMinds

3D Printer

Introduction of 3D Printer

3D Technology

3D Design Softwares

3D Printing

Day -2

DRONE

Pro SolMinds

Introduction

Drone Technology

How to Build Drone

Day -3

Pro SolMinds

Virtual Reality

Introduction

VR Technology

Hands-On Experience On VR

Workshop Out Come

Increased knowledge of Drone Technology , 3D Printing and Virtual Reality applications in various industries

Hands-on experience working with drones, 3D printers, and virtual reality simulations Development of teamwork and collaboration skills through group project

Creativity and problem-solving skills through working with emerging technologies

Exposure to potential career paths in related fields, including knowledge of necessary skills, job opportunities, and earning potential.

Organising Committee

President
Dr.Ramachandra R K,
Principal, GDC, Chodavaram

Convenor
Mr.P.Kiran Kumar, HoD ,Chemistry

Organising Secretaries
Dr.T Radha Krishna, HoD, Economics
Mr. GVSV Prasad Babu, HoD, Commerce
Mr.Ch.Rambabu, Asst.Prof, ,Physics

Programme Coordinators
Mr. SM Rafuddin, HoD, Physics
Dr. T.Bhusan Rao, HoD, Zoology
Mr.G.Narayana Murthy, HoD, Botany
Mr.A. Krishna Rao, HoD, Mathematics

:: All Final B.A, B.Com and B.Sc Students are eligible and Certificates will be issued to all the participants @ Registration Fee : 50/- ::
